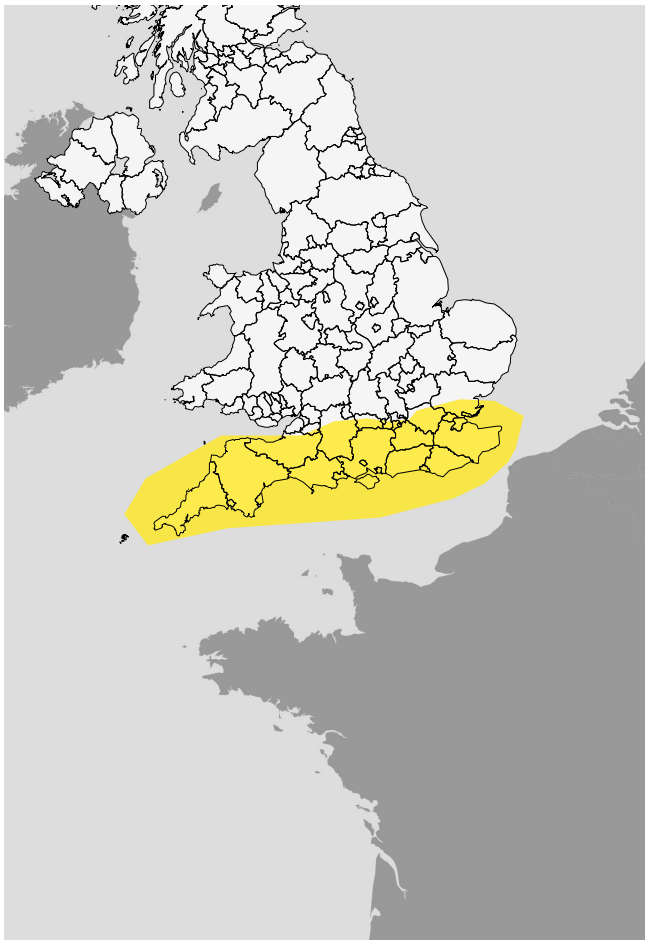
Yellow warning
**Rain**

Between
**16:00 Wed 20 Oct 2021** and
**03:00 Thu 21 Oct 2021**



## Wet and windy weather likely brings some disruption to parts of southern England this evening and overnight.

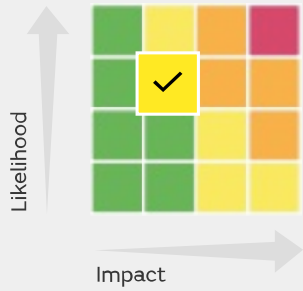
### What to expect

- Bus and train services probably affected with journey times taking longer
- Spray and flooding on roads probably making journey times longer
- Some interruption to power supplies and other services likely
- Flooding of a few homes and businesses is likely

### Further details

An area of heavy rain reaching southwest England late Wednesday afternoon spreads eastwards across southern England, reaching the far southeast of England by mid-evening. Rain will last for around six hours in any location, finally clearing southeast England during the early hours of Thursday.

Rain may be accompanied by coastal gales and, in a few places, thunder. 15 to 25 mm of rain is widely expected with 30 to 50 mm possible in a few places.



Medium likelihood of low impacts
